MOST WOUNDS OR ABSCESSSES REQUIRE THAT YOUR PET BE SEDATED OR ANESTHETIZED PRIOR TO TREATMENT (LANCING, DRAINING, DEBRIDING, SUTURING, ETC.). THE CHARGES FOR SEDATION OR ANESTHESIA CAN RANGE ANYWHERE FROM \$49.85 TO \$184.95 DEPENDING ON THE SIZE OF YOUR PET AND THE ANESTHESIA NECESSARY FOR TREATMENT. IF YOU WISH TO BE CONTACTED BEFORE ANY TREATMENT, PLEASE BE AVAILABLE FOR A PHONE CALL, SINCE OUR INABILITY TO REACH YOU MAY DELAY YOUR PET'S TREATMENT.
